About Learners

Learners University College (LUC) was founded in the year 2017 as Learners Education UAE.

Our vision is simple and powerful: We are dedicated to creating Leaders.

LUC prides itself on being a provider of contemporary business knowledge to further prepare the next generation of leaders in key industries, entrepreneurship and advanced global leadership .

Almost 3000+ students from over 65 nationalities have graduated from various programs offered by LUC and count themselves as leading members of various organizations in the U.A.E and the G.C.C countries.They have collectively strengthened businesses and communities in the Middle East.

LUC 's reputation is built on distinction, integrity and innovation.

Combined with leading faculty members, industry experts and exhaustive learning materials , programs at LUC are designed to maintain a work- life balance. Blended learning, with flexible modules allows students to tailor make their own learning schedules, enabling them to focus and excel in their present job and future careers.

When you invest in a program at LUC, you **Learn, Achieve and Succeed.**
